

■ Discussing environment

■ Minister for Commerce and Industries Kailash Vijayvergiya having a word with Dieter Mutz, GTZ, University of Applied Science, Northwestern Switzerland and Jurgen Porst, senior advisor GTZ- HAWA at a city hotel during an international workshop on incinerable waste- 'Blazing waste technology and elucidations'- on Thursday. The workshop is being organised jointly by International Institute for Waste Management Bhopal, Central Pollution Control Board, and HAWA-GTZ, Bengaluru. Vijayvergiya said environment was an important issue not only for the environmentalist but for everybody in the society. HT/PHOTO
